purpose

The purpose of the association is the establishment, maintenance and operation of an orphan village in Ukunda/Kenya together with affiliated or cooperative school and training institutions and training centres. The purpose of the statutes is realised through financial funds, which the association receives through membership fees or Donations provided by sponsors will be. These funds may only be used for charitable purposes. institutions in Kenya to take responsibility for their own use can be made available. The non-profit operating company of the Upendo orphan village, which will present our visions on site is the UPENDO Village Trust Foundation.

goals and principles

- ♥ An orphanage where the children should feel at home.
- ♥ A living house as a protective outer frame for a "family".
- ♥ One reference person for each house (to represent the missing parents).
- ♥ Physical siblings are not separated if possible.
- ♥ The children are guaranteed a school attendance (also the attendance of a private school) and if necessary also a vocational training by the orphan village.
- ♥ Under certain conditions, so-called social orphans are also admitted. These are boys and girls who have parents, or at least a mother or father, but who do not fulfil their educational duties.
- ♥ In the family together the assumption of responsibility, trust, the Take and give as well as respect and respect for others.
- ♥ Helping people to help themselves.

beginning

UPENDO Children's Village e. V. is a German Association, which is an orphan village in Ukunda/Kenya.

and sustainable through personal, would like to support professional and financial help.

The idea is to give children a permanent home there. to give them an education at school and to enable them to lead an independent life to prepare. The club with legal capacity based in Berlin, VR No. 28989 B, pursues exclusively charitable purposes and is not liable for the promotion of development cooperation from the Tax Office for Corporations as particularly eligible for support known.

The opening of the orphanage took place on 26 October 2007. Up to now, two living/sleeping houses for 20 children each, accommodated in five rooms, a community house, all outbuildings, the corresponding outdoor facilities (including for games and sports) and the entire infrastructure measures were created. Meanwhile about 40 children have found a home here.
